

SPANISH LAKES GOLF VILLAGE

DEC. 22 - DEC. 29

IMPORTANT NOTICE:

In an effort to improve communications between park management and residents, and to ensure timely responses, we have developed a new format for communicating with your manager. All Parks now have an E-mail address for each park manager so residents can communicate directly. All E-mail communications will receive a response within 5 days. This email address is: golfvillageconcerns@spanishlakes.com If you do not have e-mail, you may fill out a resident's form. The resident concerns forms can be picked up and submitted at the clubhouse desk or in the service office. Residents concern form responses will be mailed back to verbal messages unless it is an emergency situation requiring immediate attention such as water leak, sewer leak, fire etc.

A Message from the Park Manager:

To All Residents:

Vacation Club

January will be the end of this team's tenure with the Spanish Lakes Travel Club. Our last trip will be the Miami/Key West tour January 17-19.

I have one person interested in leading the club – but in a shared capacity (with someone else). I think splitting the responsibility is a great idea and could definitely work!

Please let me know if you are interested in sharing the lead responsibility and I would be happy to help you get things set up and running!

You must reside in one of the five parks and have no professional affiliation with a travel organization. There are plenty of interesting places to go – and it is really nice traveling with 50 (or more) of your closest friends! Ha! Seriously, please call if that sounds like something you would like to do.
